UNITED STATES DEPARTMENT OF AGRICULTURE

London, 18th June 1861

My dear Mr. Stowe

I have just received your letter of the 14th inst. and am glad to hear that you are still so interested in the cause of the oppressed.

I have been thinking much of late of the state of the world, and of the progress of the cause of the oppressed, and I am glad to hear that you are still so interested in the cause of the oppressed.

I have been thinking much of late of the state of the world, and of the progress of the cause of the oppressed, and I am glad to hear that you are still so interested in the cause of the oppressed.

I have been thinking much of late of the state of the world, and of the progress of the cause of the oppressed, and I am glad to hear that you are still so interested in the cause of the oppressed.
